North York Training Centre

Computer Help - North York
2 Lansing Square, Suite 505
(Victoria Park Ave. & Sheppard Ave. E.)

Our North York classrooms are conveniently located near the intersection of Highway 401 and the Don Valley Parkway/404. To get there by:

TTC

Take the Yonge subway line to the Sheppard exit, then transfer to the Sheppard subway. Exit at Don Mills subway stop, then take the 85 Sheppard East bus to Settlers Road (one bus stop before Victoria Park Avenue). Our building is a 12-storey concrete building, with a 'Reliance' sign clearly displayed on the west side of the building. The classroom is on the fifth floor.

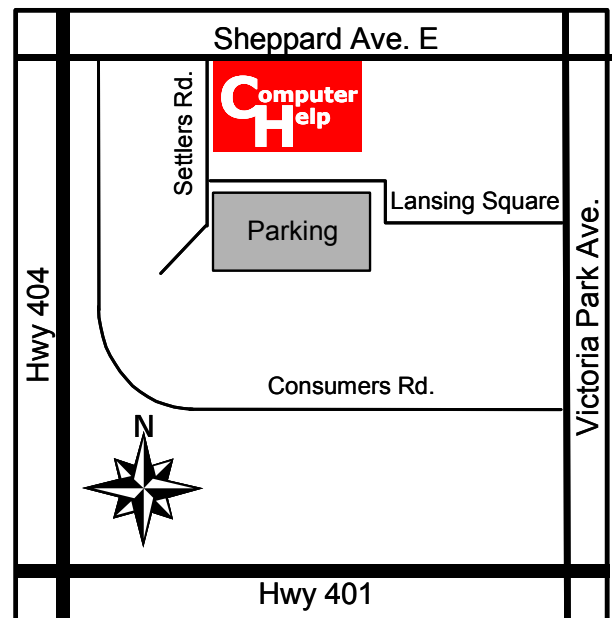

Car

From the 404/Don Valley Parkway: Exit at the Sheppard Avenue exit and turn east. Take Sheppard Avenue to Settlers Road (one set of lights before Victoria Park Ave). Our building is located on the South/East corner of Sheppard Ave East and Settlers Road. It is a 12-storey concrete building, with a 'Reliance' sign clearly displayed on the east and west sides of the building. Our classroom is on the fifth floor.

From the 401: Exit at the Victoria Park exit and turn north. Just north of the first traffic lights at Consumers Road is a left-hand turn into our parking lot (Esquire Road and a Swiss Chalet will be on your right). While you can park anywhere in this lot, our building is at the far western end from this entrance, so you'll want to drive as far that way as you can. You're looking for a 12-storey concrete building, with a 'Reliance' sign clearly displayed on the east and west sides of the building. Our classroom is on the fifth floor.

Parking

There is a \$9 daily parking rate, payable when you exit. Please note that there are no in-and-out privileges: if you leave at lunch, you will be charged \$9 again for the day.
